

## Cannington Golf Centre

The Centre's 9 hole, 18 tee golf course was designed by Martin Hawtree - famous for the design of the Donald Trump golf course in Aberdeen. Our course has greens built to international specifications, and our excellent reputation for turf quality and playability is known throughout Somerset and the Westcountry.

The layout of the course presents the game in a non-threatening manner to the less experienced golfer, yet, has a challenge for the more accomplished player. In particular our signature hole the 491 yard par 4 dog leg 8th hole is a match for anyone!

Our ten bay floodlit Driving Range at 300 yards long, gives the golfer the room for a real practice work-out or warm-up before a round of golf. Our resident PGA golf pro is on-hand for tips and advice to improve your game, and offers coaching sessions for all levels of golfer.
